

REMOVED: A challenging injury interpretation: Could this be a stab wound?

Les Griffiths M.B.B.S Forensic Medical Officer*

Clinical Forensic Medical Unit, 51 Herschel St., University of Queensland, Brisbane, Queensland 4000, Australia

This article has been removed: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

This article has been removed at the request of the Author.

This article contains two autopsy images which could allow identification of the deceased and therefore must be removed to protect their identity. Apologies are offered to readers of the journal that this was not detected during the submission process.
